## PACIFIC SALMON RECOVERY ACT

Mr. HASTINGS of Washington. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 163 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

## H. RES. 163

*Resolved*, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 1157) to authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes. The first reading of the bill shall be dispensed with. Points of order against consideration of the bill for failure to comply with clause 4(a) of rule XIII are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Resources. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute printed in the Congressional Record and numbered 1 pursuant to clause 8 of rule XVIII. Each section of that amendment in the nature of a substitute shall be considered as read. During consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 8 of rule XVIII. Amendments so printed shall be considered as read. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

SEC. 2. House Resolution 156 is laid on the table.

The SPEAKER pro tempore. The gentleman from Washington (Mr. HASTINGS) is recognized for 1 hour.

Mr. HASTINGS of Washington. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentlewoman from New York (Ms. SLAUGHTER), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

(Mr. HASTINGS of Washington asked and was given permission to revise and extend his remarks.)

Mr. HASTINGS of Washington. Mr. Speaker, House Resolution 163 is an open rule waiving clause 4(a) of rule XIII that requires the 3-day availability of the committee report against

consideration of the bill. The rule provides 1 hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Resources. The rule makes in order as base text for the purpose of amendment the amendment printed in the CONGRESSIONAL RECORD and numbered 1 which shall be open for amendment by section. The rule also authorizes the Chair to accord priority in recognition to Members who have preprinted their amendments in the CONGRESSIONAL RECORD. Finally, the rule provides one motion to recommit, with or without instructions, and lays House Resolution 156 on the table.

Mr. Speaker, H.R. 1157, the Pacific Salmon Recovery Act, would authorize the Secretary of Commerce to provide financial assistance to five States in the Pacific Northwest for salmon habitat restoration projects in both coastal waters and upland areas which support a number of important species of salmon. The bill was introduced by the gentleman from California (Mr. THOMPSON) in response to a request from the Governors of Washington, Oregon, Alaska, and California for a coastwide approach to protecting salmon habitat from a variety of natural and man-made threats. The bill authorizes \$200 million for that purpose through fiscal year 2003 to be made available to the States of Washington, Oregon, Alaska, California, and Idaho as well as certain Native American tribes in the region. In order to receive funds, the States must submit a recovery plan to the Secretary of Interior with specific goals and time lines.

The bill also authorizes U.S. representation on the Transboundary Panel of the Pacific Salmon Commission under the Pacific Salmon Treaty Act of 1985.

□ 1100

Finally, the bill authorizes payments to the Northern Fund and the Southern Fund for fiscal years 2001 to 2003, as well as lump sum payments to retirees of certain international commissions.

The Congressional Budget Office estimates that enacting H.R. 1157 would cost the Federal Government \$510 million over the next 5 years. Pay-as-you-go procedures would apply because the bill would increase direct spending, although less than \$500,000.

Finally, the bill contains no intergovernmental or private sector unfunded mandates.

The Committee on Resources reported H.R. 1157 by a voice vote on May 16 of this year and has requested an open rule so that Members seeking to amend the bill may have an opportunity to do so.

Mr. Speaker, those of us who represent districts in the Pacific Northwest are deeply committed to the cause of salmon restoration, and while we are determined to fully protect the rights of States and localities to chart their own destiny, we also believe that the Federal Government has an important role to play in this process.
